

PRESIDENT'S CORNER

OK—which of you still don't think we'll have a lot of snow this winter? The email notifying you last month that our newsletter was online was sent from Giant, as Len and I were without power due to the historic pre-Halloween snow storm!

I'm hoping this early snowfall has those of you who are late to sign up for a ski trip thinking seriously about your options. You *need* to get serious, as our trips won't be on sale for much longer. Unsold air seats and rooms will be turned in for most of our multi-day trips in late November or by mid-December.

Another forecast— I'm predicting that we'll have a terrific **Get-Acquainted Party on November 19**, thanks to the herculean efforts of event organizer **Barb Gabel** and her first-lieutenant **Lovena Nickle-Haslam**; also thanks to **Brenda Bent** and the many GAP sponsors she lined up for us this year!! Hope you all can make it—bring your friends and neighbors! **Jimmy & the Parrots** have guaranteed us a good time! Party on!!

SPECIAL OLYMPICS COACHES NEEDED

January 2012

Since 2002, SSC has partnered with the York Ski Club to assist the York Area Special Olympics skiing program. We typically have about a dozen athletes (teens and young adults) and we try to have at least two coaches per athlete. We have a few new athletes who would like to learn how to ski this year, and we've had to put at least one on a waiting list because we're not sure if we'll have enough volunteer coaches.

We'll ski at Roundtop on Thursday evenings starting January 5. You don't have to commit to every week, but the athletes (and the coordinators!) appreciate some consistency. **Philip Durgin** will contact last year's volunteers to determine their availability. New volunteers (we need you!) should contact Phil at specialolympics@skissc.com or 717-732-5325 to obtain a volunteer application form. The Special Olympics program requires a background check and a short online training course, so contact Phil ASAP. You only have to be an intermediate skier to coach, and Roundtop donates the lift tickets, so come join the fun! Many of our athletes are great skiers and they all love to ski!

SKIER DEVELOPMENT NEWS

Happy December, SSC Members! In preparation for the 2011/2012 Snow Season, Steve Vedder, SSC's Skier Development Coordinator, has lined up two programs to help ready all riders (novice through expert) for this year's adventures in downhill. The topics for these presentations will be (1) selecting the proper equipment including initial set-up, tuning/maintenance of equipment, and adjustments that can be made to equipment for a personalized fit, and (2) the benefits of instruction, utilizing proper riding technique, the use of beginner and advance riding techniques, and being able to adjust your equipment to fit your riding style. These presentations are slated to take place during the January and February Membership Meetings.

This year's Skier Development Program is also going to include a "Group Ride/Ski Night". To date, we are planning to hold the **Group Ride/Ski Night on Thursday nights at Roundtop**. Stay tuned; more details to follow in subsequent newsletters and email blasts. We are looking forward to seeing everyone at the Membership Meetings, social events, and out on the Hill. It's going to be a great season to be a SSC'er! **Powder to the People!!**
