near Bainbridge for one of SSC's favorite evenings of the summer. The night will be filled with Motown tunes from the amazing Vinyl Groove band ([www.vinylgroov.net](http://www.vinylgroov.net)), along with lots of great people, fancy foods, tables with candelabras, flowers and good wine. As always, it will be a truly magical night of dancing, but that's up to you!

SSC members can be found in a designated group area by the lower level dance floor... bring your own chairs and small table if you like. There will be tables set up to hold the food each participant brings to share. SSC will also provide paper products/utensils and two glasses of wine per person. Additional bottles of wine can be purchased at Nissley's... you are not permitted to bring your own alcohol on the premises. Tickets are just \$17 per person, which includes your admission, two glasses of Nissley wines, dancing, access to a fabulous spread of food, and the enjoyment of some great company.

The band plays from 7:30 -10, but you want to arrive early to enjoy the ambience before the music and dancing begin. Your pre-purchased ticket will ensure your entrance to the event. Look for Lilly and Carol with tickets at events in advance, or send a check payable to SSC with a self-addressed return envelope before July 1 to Lilly Mangan, 125 Old Ford Drive, Camp Hill, PA 17011. We cannot accommodate sales after the deadline to ensure return mail receipt and an adequate wine selection. For more information, contact Lilly Mangan at 717-385-4667 or Carol Swendsen at 717-608-8011.

### PADDLE THE BREECHES Sunday, August 11 ~ noon

The Yellow Breeches is always a popular paddle in the summer-time because it is spring fed. When other creeks and river levels are too low, the good old Breeches is still a great paddle. We will meet at 12 noon at the covered bridge behind Messiah College in Grantham, run as many vehicles as possible down to Lower Allen Township Park for the takeout, and then hit the water using the new boat launch at Messiah. Allow several hours for the paddle. Bring canoes, kayaks, PFDs, water, snacks and sunscreen. Questions? Call or text Dyan Yingst at 717-979-4152.

*Chairlift Chatter* is published by the Susquehanna Ski & Snowboard Club (SSC). SSC is based in Harrisburg, Pa. and is a 501(c)(7) social and recreational club which encourages participation in the sports of snow skiing and snowboarding among

### PINCHOT RECREATIONAL SMORGASBORD Saturday, July 20

Bike? Hike? Paddle? or Picnic? Join us at Pinchot State Park for a day of play. Starting at 9:30 am you can launch a kayak, ride a bike or take a walk in the woods as your leaders take you on an adventure through the park. The paddlers will explore some of the open water in the park and may venture up a creek but they will definitely have their paddles - none of that up a creek without a paddle stuff! We may have a couple of extra kayaks so if you want to try this activity you're welcome to join us.

The bikers will have a choice of exploring some beginner or intermediate mountain bike trails in the park riding along the lake front, deep into the woods and will include some of the roads inside the park. The ride will be about 12 miles. The hikers will ramble along the edge of the lake for a 3-mile hike in this Central PA oasis.

After the morning's activities everyone is encouraged to hang around for a picnic. Bring something to share with the group and we will throw some hot dogs on the grill. In the afternoon, it's back to playing with your choice of a paddle, hike or swim.

We will meet at the Conewago Day Use area on the south side of the park. The entrance is on Alpine Road (for those using a GPS, the entrance is across from 1180 Alpine Road, Lewisberry, PA). We will attempt to commandeer the isthmus to the right as you
