PRESIDENT'S CORNER

It has been a challenge to say the least, but we are ready to advertise and start selling our three major trips to Snowmass, Jackson Hole, and Whistler! Trips go on sale at our annual picnic June 30. If you are unable to attend, mail your completed application and check to the trip leader, however it must be postmarked between June 23 and June 30 to be considered if a lottery is necessary. We are also planning an eastern trip and details will be out shortly. **Come out to the picnic to meet our trip leaders and enjoy our new location, the Tall Cedars of Lebanon's Harrisburg picnic grove.** Hope to see you there!

When a trip payment deadline is not adhered to, this can become a burden on your trip leader. Installment payment deadlines are based on our tour operator's requirements; in order for SSC to fulfill its obligations, our members must be timely with their payments. Payment deadlines are spelled out in the Trip Terms document for each trip and are posted online and in our monthly newsletters. If you anticipate having difficulty making a payment on time, please contact your trip leader in advance of the due date to let them know when to expect payment from you. **Effective immediately, if you don't contact the trip leader in advance of your payment becoming "past due", you will be required to pay the late fee before entering into another agreement with the club on a ski trip.** I hope our members understand the necessity to pay installments on time according to the Trip Terms.

PA TURNPIKE TUNNEL BIKE RIDE

Sunday, June 24, 11 AM

Back by popular demand, we're going for a bike ride on an abandoned section of the Pennsylvania Turnpike through 2 tunnels! This section of road has been a destination for turnpike enthusiasts, hikers, bicyclists and even a Hollywood movie! Ray's Hill Tunnel is just under 1/2 mile in length and the Sideling Hill Tunnel is over 1 mile long. We'll meet at the trailhead at 11 AM. Enter this address in your GPS or Google Maps app: 3007 Pump Station Road, Waterfall, PA. Or use these coordinates: 40°02'52.0"N 78°05'41.8"W. Turn right off Pump Station road onto a narrow driveway to the parking lot. If you don't own a GPS or a smart phone, head west on the turnpike to exit 180 (Fort Littleton). A few feet after the toll booth, take a right into a small parking lot. You'll find restrooms here. There are none at the trailhead. I'll meet you there at 10:30 and show you the way to the trailhead. It's a 10-mile ride to Breezewood, where we'll stop to eat at the Gateway Travel Plaza. After lunch we'll ride back to our cars on the same route. The tunnels are REALLY DARK; you'll need a flashlight. We'll have a tailgate social at the end of our ride – please bring a snack to share. Email your questions to **Len Neidig** at lneidig@comcast.net.
