PRESIDENT'S CORNER

Well, May's weather may not have started off on the greatest note, but SSC's 2024 Ski Trip sales at the May 2, Reveal certainly did. More than 60 people showed up at Boomerang to hear about our 2024 Ski Trips, meet the trip leaders, ask questions about our trips being offered and drop off checks and applications. Many stayed around to socialize and it resulted in a wonderful festive event. Two of our trips sold out and despite being able to slightly enlarge the trips, both resulted in lotteries. All people who handed in trip applications and checks at the Reveal, along with any mailed in applications and checks post marked between May 2 and May 9, 2023 had equal chances in the lottery. We still have spots available on our newly expanded 7 day Copper Mt trip, Alta Badia, Italy trip along with our newly opened New Hampshire and Seven Springs bus trips. Please remember to commit early for these trips. We are trying something new this year with our bus trips. If you sign up by September 30, 2023, you will get the lowest price for the trip. Each month after September 30, 2023 the price of the bus trip will increase by an additional \$20 each month. Also, both bus trips you can use either the North East Mid-Week EPIC Pass or buy the least expensive EPIC Day passes (22 resorts). Buy your EPIC pass now for the best value.

Finally, I would like to thank our great trip leaders, our web master, the board, and our tour operators for their quick turnaround for the contracts, trip pricing, trip terms and web page information. With out their assistance with this, we would not have been able to get the information out to our members to allow them to purchase passes still at the early discount rate.

I hope all of you have a wonderful summer and hope to see you at a deck party or a bike/hike event.

Take care and be safe

Becky

PLEASE COMMIT EARLY TO AVOID THE CANCELLATION OF THESE TRIPS

The contracts we have this year are very stringent in their deadlines which require us to have a certain number of participants by unusually early dates. If we must cancel a trip by the due date because of lack of participation, we are still responsible for paying cancellation fees to the hotel, tour operator or airlines. Please commit early, so your club does not have to absorb these fees and that these trips can proceed as planned.

TRAVEL INSURANCE IS HIGHLY RECOMMENDED!

Attention trip participants, especially in light of recent unforeseen events. It is the responsibility of each participant to secure their own insurance based on their individual needs. If you have a pre-existing condition most insurance companies require you to obtain insurance within two weeks from the date you made your trip deposit (this may vary
