May 2024

www.skissc.com

P.O. Box 60713 Harrisburg, PA 17106-0713

PRESIDENT'S CORNER

I want to thank all of our board members, trip leaders, committee members and staff members for stepping up and volunteering to serve SSC for the coming year. Without all of these talented and dedicated people, both those in the past and those moving forward, we would not be celebrating our 60th year as a well-known and respected organization! Please take a few minutes to thank the individuals listed in Chairlift Chatter when you see them at club meetings and events around town.

I also encourage you to carefully read over the information in this newsletter because our trips are about to go on sale for next winter. "The Reveal" was well received last spring, so we continue that momentum again this year. Plan to join us on Tuesday, May 7 if you are in the midstate area, or carefully follow the rules for submitting your applications by mail. Your membership must be current and the USPS postmarked date is important if your favorite trip receives more interest than we have spaces and a lottery becomes necessary. Some details are still being finalized and will be made available as quickly as possible. We have been telling you that due to changing trends in the ski industry, we have to select our destinations and sign contracts earlier than ever before. Therefore we need your commitments well in advance so we don't lose our deposits or turn back reservations before the trips are filled.

As we move into the summer months ahead, I hope to see many of you out and about at our social events and gatherings at local restaurants. If you have any ideas or would like to host an event, please reach out to our Social VP Suzanne Laughman so we can get you on the schedule.

Happy Trails,
((

PLEASE COMMIT EARLY TO AVOID THE CANCELLATION OF THESE TRIPS

The contracts we have this year are very stringent in their deadlines which require us to have a certain number of participants by unusually early dates. If we must cancel a trip by the due date because of lack of participation, we are still responsible for paying cancellation fees to the hotel, tour operator or airlines. Please commit early, so your club does not have to absorb these fees and that these trips can proceed as planned.

TRAVEL INSURANCE IS HIGHLY RECOMMENDED!

Attention trip participants, especially in light of recent unforeseen events, it is the responsibility of each participant to secure their own insurance based on their individual needs. If you have a pre-existing condition most insurance companies require you to obtain insurance within two weeks from the date you made your trip deposit (this may vary among insurance companies).

BIG SKY, MONTANA

February 8-15, 2025

Saturday to Saturday

Big Sky Resort has always been a club favorite and there is no better place to stay than the Huntley Lodge, where SSC is booked next February. Along with convenient slopes side access and the great breakfast buffet, you also get some of the best skiing in North America! Located in the Northern Rockies of southwest Montana, this is a world-class mountain where the skiing, just like the snow, is big. On average, 400 inches or more of powder fall on 5,850 skiable acres, that's about two acres per person even on the busiest day. Over 2,300 of those acres are dedicated to beginner and intermediate terrain, which ski instructors call the best for learning to ski. There are also plenty of glades and expert terrain. They boast 4,350 vertical feet of skiing – the most in the state of Montana – and some of the most technologically advanced of chairlift networks. No matter if you are a beginner or a seasoned vet, Big Sky Resort will leave you grinning from a uniquely Montana experience. While admiring the spectacular view at breakfast, you will often see Ski Patrol members and their dogs jumping on the lift chairs to check the morning snow conditions. The mobile app will keep you updated on snow conditions, lift status, activities and services. After a great day on the slopes, guests enjoy easy access to ski storage, pool, hot tubs and fitness center. Then it's a quick walk to the Mountain Village to dine, shop, rent gear, access winter activities, and enjoy après ski with friends. The region also offers snow shoe tours, mountain restaurants, world-class snow sports school and specialty clinics, and as repeat guests all know, Yellowstone National Park makes a wonderful destination on your day off.

Pricing for the trip will be coming soon. The package price includes ground and air transportation from Harrisburg to Big Sky, with seats currently booked on United from BWI to Bozeman. Enjoy 7 nights at the famous Huntley Lodge, with 6 daily breakfast buffet and a box to go on the morning of departure, along with your 5-day lift ticket. This year, you will apply online, and we will make the link available on the trips page as soon as it is ready. Your trip leader is Mike Kreamer, 1138 Stone Creek Drive, Hummelstown, PA 17036-6811. For additional information, email mkreamer12@gmail.com or 717-829-6628. Trip Insurance is highly recommended!

Online sign ups and payments through We Travel for the Big Sky Trip

We will be doing something different with the Big Sky trip. Due to requests from our membership to have online payments (by credit card or ACH), we are trying something new. We will be working with We Travel to process your online payments. You will be able to sign up for the trip, complete an application, review the cancellation policies and make payments through a link on our web site. You will receive reminders of upcoming payments that are due. These emails will have the SSC logo on them. If you make a payment with a credit card, a service fee will be added on.

By clicking on the link, you will be able to pick your package (double, single, land only double and land only single etc.) you will also be able to add discount codes for no lift ticket. More information will be available soon. We appreciate your patience while we try to improve the online experience of trip sales. VOLUNTEER OPPORTUNITY IRONMAN 70.3 HAPPY VALLEY

Sunday, June 30, 2024

Sayer's Lake in Bald Eagle State Park, Howard, PA

We are looking for kayakers, canoers and SUPers to help at this year's Ironman 70.3. On Sunday, June 30, we need 65-70 boaters to line the race course at Sayer's Lake to help keep the swimmers safe and on course. Paddlers should be experienced in flat water paddling, and be able to remain calm and focused during the race. The race is held rain or shine, Last year, the lake was calm (no wind), but the swimmers do create a wake as they swim by in masses. You need to keep your vessel in position as much as possible. There will be swimmers who will hang on to your boat to catch their breath for a few seconds/minutes, and swimmers who will veer off course (we guide them back on course). Instructions and video are provided in advance, and on the morning of the event, there is a safety meeting. Safety gear (whistles, flags & buoys) is provided, as well as hot coffee, refreshments and daily launch permits (for those who don't have one). Safety meeting starts at 5:30am (for those farther away, you may want to consider camping at the park the night before), with boats getting into position at 6:15am. Boaters are finished before 10:00am and may want to take advantage of the beautiful lake by having a leisurely paddle after the race.

To register go to: <https://ironman.volunteerlocal.com/volunteer/?id=76566>

- Enter your name and email.
- On the next screen it asks for a password.
- Type in the password: IM2024
- Scroll down the list until you get to SWIM SUP KAYAK CANOE-
- This is the one you will sign up for.
- After you click the box for SWIM SUP KAYAK CANOE-, scroll down to the bottom, where it asks if you have a boat or need one, it will also ask you to read the waiver and sign it. If you don't complete all fields, it will not go through.

For any questions on the event, or registration, etc. please contact Lisa Wandel at lisawandel12@gmail.com or 814.404.7312. We would love and appreciate your support. Last year's boaters really enjoyed the event, and felt it was very worthwhile. The monies we make for volunteering will go towards the Rising Hope Therapeutic Riding Center, Bellefonte, PA.
