## PRESIDENT'S CORNER

Well Bob and I are just back from our Alaska Land and Cruise adventure with 42 fellow SSC adventurers. To sum it up in one word. WOW!!!!!! From start to finish it was a wonderful and memorable experience. The pictures we took will never do the Alaskan scenery justice. Our first days in Vancouver were warm and allowed us to bike along the coast in Stanley Park. We next had our first experience on a cruise ship. For first time cruisers, we were very impressed with the amenities, rooms, service and variety of food on the Nieuw Amsterdam. Our ports of call of Skagway, Juneau and Ketchikan were all unique and the views of Glacier Bay and College Fjord were magnificent. The ship was very smooth, but one night in the open seas, it was a bit rocky. Luckily, no casualties.

Our stay in Denali was rainy and cloudy, but still full of adventures and wildlife. However, the only moose Bob and I got to see up close was the stuffed one in the Anchorage airport! Only two of our fellow travelers, Diane and Tracey, became part of the 30% club. This is an exclusive group of people who actually get to see the top of Denali Mountain. They did have a little help from a plane ride to the top of another mountain. The pictures of Denali they shared were beyond words. Thanks to all of the wonderful photographers in the group who shared their photos with all of us. Also, kudos to Barb Collier for leading a wonderful trip.

Well, the next non-ski trip adventure awaits all of us. Stay tuned for more information on our 2024 non-ski trip to Ireland.

On a sad note, condolences to Diane Eshelman whose husband Joe passed away suddenly. Joe was a former SSC board member, trip leader and Silver Ski Award winner. Joe will be missed by all who knew him.

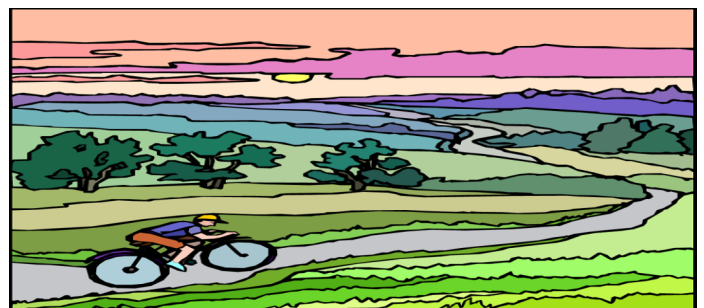

Take care and be safe.

Becky

### PLEASE COMMIT EARLY TO AVOID THE CANCELLATION OF THESE TRIPS

The contracts we have this year are very stringent in their deadlines which require us to have a certain number of participants by unusually early dates. If we must cancel a trip by the due date because of lack of participation, we are still responsible for paying cancellation fees to the hotel, tour operator or airlines. Please commit early, so your club does not have to absorb these fees and so these trips can proceed as planned.

### TRAVEL INSURANCE IS HIGHLY RECOMMENDED!

Attention trip participants, especially in light of recent unforeseen events. It is the responsibility of each participant to secure their own insurance based on their individual needs. If you have a pre-existing condition most insurance companies require you to obtain insurance within two weeks from the date you made your trip deposit (this may vary among insurance companies).

For each shift a Volunteer works, you can earn 1 to 3 vouchers for admittance to Hershey Park and SSC gets paid \$8/hr. for each hour you work. You will need to provide an email address to enable Lovena to communicate with you about open shifts.

## RIDES & HIKES

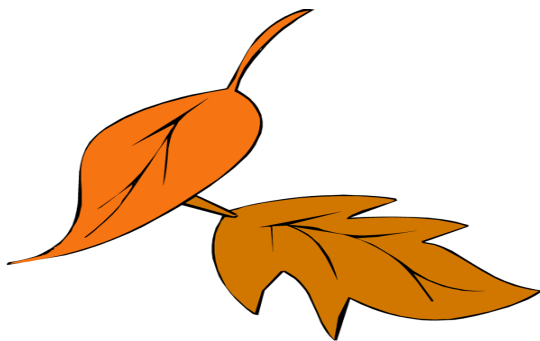

Remember last year when you did your first ski run, then at the bottom of the run you were hyperventilating, and your thighs were on fire? Didn't you swear at yourself for not getting in shape before ski season. As a matter of fact, haven't you done the same thing for the last few years.

This year, change all that, come out and bike with the email riders to get your legs and lungs in shape for ski season. Each week, Mike Gavin sends out information on the location of bike rides and some hikes. Most of the bike rides are on rails-to-trails in the area. Riders are encouraged to bike at their own pace and go a distance that is comfortable for them. For more information and to receive weekly emails, contact Mike at [emailriders1@comcast.net](mailto:emailriders1@comcast.net).

Hope to see you on the trail!
